Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of MOTIVATING, INSPIRING, SUPPORTING AND SERVING SEXUALLY EXPLOITED YOUTH, INC. as of June 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering MOTIVATING, INSPIRING, SUPPORTING AND SERVING SEXUALLY EXPLOITED YOUTH, INC.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

Note 1. Nature of activities and summary of significant accounting policies

Nature of Activities

MOTIVATING, INSPIRING, SUPPORTING AND SERVING SEXUALLY EXPLOITED YOUTH, INC. (MISSEY, Inc.) advocates and facilitates the empowerment and inner transformation of sexually exploited youth by holistically addressing their specific needs. The Organization collaborates to bring about systemic and community change to prevent the sexual exploitation of children and youth through raising awareness, education and policy development. The Organization is a not-for-profit corporation that operates in Oakland, California. The Organization was formed and commenced its operations in May 2009.

The Organization divides its program activities into three programs as follows:

Case Management – case managers work together with clients by developing personal goals and implementing activities that enable goal achievement. Action steps are concrete and always include connecting clients to community resources. Support is ongoing- daily, weekly, and monthly. Case Managers provide direct services to target Commercially Sexually Exploited Children (CSEC) and at-risk youth, ages twelve to seventeen, who are entering or already part of the Alameda County foster care system. The program also delivers consultation to SSA/Department of Children and Family Services on service design and training strategies for staff who work with CSEC.

Youth Program – case managers work together with clients by developing personal goals and implementing activities that enable goal achievement. Action steps are concrete and always include connecting clients to community resources. Support is ongoing- daily, weekly, and monthly. Case Managers provide direct services to target CSEC and at-risk youth, ages sixteen to twenty-four.

Training and Prevention– offers group or individual instruction for counties and organizations that increases participants’ understanding of sexual exploitation and trauma, expands participants’ knowledge about best practices for identifying, engaging, and linking at risk girls to services they need. Participants also increase their awareness of available data, reference materials, and community resources.

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, which involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Note 1. Nature of activities and summary of significant accounting policies (Continued)

Adoption of New Accounting Pronouncement

For the year ended June 30, 2020, the Organization implemented the following recent pronouncements. The Financial Accounting Standard Board (FASB) issued the (ASU) No. 2014-09 - *Revenue from Contracts with Customers*, which supersedes the existing transaction and industry-specific revenue recognition guidelines. The new guidance requires the recognition of revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The ASU is effective for fiscal years beginning after December 15, 2018.

Also, the FASB issued (ASU) No. 2016-10 - *Revenue from Contracts with Customers: Identifying Performance Obligations and Licensing*, to clarify whether revenue should be recognized at a point in time or over time, based on whether the licensee provides a right to use an entity's intellectual property or a right to access the entity's intellectual property. The ASU is effect for fiscal years beginning after December 15, 2018.

The above new accounting pronouncements had no material affect on the Organization's revenue recognition.

Financial Statement Presentation

Financial statement presentation follows the requirement of the Financial Accounting Standard Board. The Organization is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions.

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment. There was no board-designated endowment as of June 30, 2020.

Net Assets With Donor Restrictions – Net assets subject to donor-(or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. There were no permanently restricted assets as of June 30, 2020.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Note 1. Nature of activities and summary of significant accounting policies (Continued)

Functional Allocation of Expenses

The costs of the programs and supporting services have been reported on a functional basis in the statement of functional expenses. Expenses that can be identified with a specific program or supporting service are charged directly to the program or supporting service. Expenses which apply to more than one functional category have been allocated based on estimates made by the Organization's management. Salaries and related expenses are allocated based on employees' direct time spent on program or support activities or the best estimate of time spent. Given the collaborative manner in which the Organization delivers its programs, rents are allocated based on staff hours devoted to each program or function. Expenses, other than salaries and related expense, which are not directly identifiable by program or support services, are allocated based on the best management's estimate.

Cash and Cash Equivalents

The Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. The carrying amount approximates fair value because of the short maturity of those instruments.

Contributions and Contributions Receivable

Contributions are recognized as revenue when received or unconditionally promised. Contributions received are recorded as without donor restrictions or with donor restriction support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in net assets with donor restrictions. When a donor restriction expires, (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with time and purpose restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Conditional pledges are recognized as receivables and revenue when the conditions on which they depend are substantially met.

Contributions receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Organization uses the allowance method to determine uncollectible receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

The Organization charges off uncollectible contributions receivable when management determines amounts are not collectable.

Note 1. Nature of activities and summary of significant accounting policies (Continued)

Property and Equipment

All acquisitions of property and equipment in excess of \$5,000 and all expenditures for repairs, maintenance, or improvements that significantly prolong the useful lives of the assets are capitalized. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as contributions without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. Property and equipment are depreciated using the straight-line method over estimated useful lives of three years.

Income Taxes

The Organization is a not-for-profit organization that is exempt from federal income tax on income under Section 501(c)(3) of the Internal Revenue Code and from state franchise tax under California Revenue and Taxation Code Section 23701 (d). However, income from activities not directly related to its tax-exempt purpose is subject to taxation as unrelated business income. There was no tax on unrelated business income for year ended June 30, 2020.

Effective October 1, 2009, the Organization adopted Accounting for Uncertainty in Income Tax guidance *FASB ASC 740 – Accounting for Uncertainty in Income Taxes*. Accordingly, the Organization recognizes the effect of income tax positions only when those positions are more likely than not of being sustained. The Organization believes the adoption of this guidance had no material impact on the organization's financial statements.

Note 2. Concentration of credit risk

FASB ASC 825 requires disclosure of significant concentrations of credit risk arising from all financial instruments. Concentrations of credit risk financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of temporary cash investments. At times, a portion of these cash investments may not be insured by Federal Deposit Insurance Corporation. The potential concentration of credit risk pertaining to temporary cash investments will vary throughout the year depending upon the level of cash deposits versus amounts insured. The Organization is maintaining all deposits in high quality financial institutions. As of June 30, 2020, the Organization had \$505,757 of uninsured bank balances.

Note 3. Accounts receivable

Accounts receivable as of June 30, 2020 are comprised of amounts due from the following sources:

Alameda County Social Services Agency	\$	128,073
Cal OES		347,423
City of Oakland – Kids First OFCY		40,936
City of Oakland - Measure Z Oakland Unite Star Center		<u>134,715</u>
Total	\$	<u>651,147</u>

The Organization uses the allowance method to determine uncollectible accounts receivable. The allowance is based on experience from prior years and management's analysis of specific accounts. Management believes that all accounts receivable are collectable in full, therefore there were no allowance for uncollectible accounts receivable as of June 30, 2020.

Note 4. In-kind contributions

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization.

During the years ended June 30, 2020 the Organization received donated services from unpaid volunteers that do not satisfy the criteria for recognition under *FASB ASC 958-605-25-16*.

The Organization had 4 volunteers that provided 168 total hours of services as Board members for the year ended June 30, 2020.

During the year ended June 30, 2020, the Organization received \$17,790 donated goods and \$4,275 donated food during the year ended June 30, 2020 that are recorded in the statement of activities.

Note 5. Net assets with donor restrictions

Note 8. Contingencies

Grants and contracts awarded to the Organization are subject to the funding agencies' criteria, contract terms and regulations under which expenditures may be charged. Expenditures are subject to audit under such terms, regulations and criteria. Occasionally, such audits may determine that certain costs incurred against the grants do not comply with the established criteria that govern them. In such cases, the Organization could be held responsible for repayments to the funding agency for the costs or be subject to the reductions of future funding in the amount of the costs. Management does not anticipate any material questioned costs for the contracts and grants administered through the year ended June 30, 2020.

Note 9. Major funding sources

During the year ended June 30, 2020, the Organization received 30%, 20% and 14% of total revenue from State of California, City of Oakland, and Alameda County, respectively.

Note 10. Liquidity and availability of financial assets

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
of MOTIVATING, INSPIRING, SUPPORTING AND SERVING SEXUALLY EXPLOITED YOUTH, INC.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of MOTIVATING, INSPIRING, SUPPORTING AND SERVING SEXUALLY EXPLOITED YOUTH, INC. (a California nonprofit corporation), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 23, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered MOTIVATING, INSPIRING, SUPPORTING AND SERVING SEXUALLY EXPLOITED YOUTH, INC.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of MOTIVATING, INSPIRING, SUPPORTING AND SERVING SEXUALLY EXPLOITED YOUTH, INC.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the MOTIVATING, INSPIRING, SUPPORTING AND SERVING SEXUALLY EXPLOITED YOUTH, INC.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether MOTIVATING, INSPIRING, SUPPORTING AND SERVING SEXUALLY EXPLOITED YOUTH, INC.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
